

St. Paul's Nursery Ministry Play & Activity Center

In our Nursery, we help Infants, Toddlers and Preschoolers learn that church is a place where people care.

Our goal through our nursery ministry is to provide safe and loving child care for the families of St. Paul's - offered to facilitate and enhance your family's time of worship, study, and service.

Child care is offered for children, birth through age 3, during the Sunday School hour, 9:00-10:00 AM, and for children up to age 5 following the Worship Service Children's Moment.

Safe Place

St. Paul's values the personal safety of all children, youth, and adults involved in its ministries. Completion of Safe Place training is necessary for all adults working with children and youth. For more information about St. Paul's Safe Place Program and Training, please contact the church office at 715-344-3557 or email, stpauls@stevenspointumc.org.

The Children's Ministry of St. Paul's United Methodist Church strives to be a welcoming, engaging, energetic, and exciting ministry that prepares children as disciples of Jesus Christ to be in service to their neighbors and the world.

We are committed to offering ministries that are appropriate to the physical, social, and spiritual growth of each child.

St. Paul's UMC Children's Ministry seeks to offer children a loving environment that teaches the Word of God and gives them the opportunity to grow, play, and learn together as God's children.

Jesus called the children to him and said, "Let the little children come to me, and do not hinder them, for the kingdom of God belongs to such as these."

Luke 18:16
