congregation.**

From Pastor Howard Hintzman

I am so grateful to the people of my first appointment, Trempealeau, just north of La Crosse on the Mississippi. They were patient with me when what I said and did as a beginning pastor must have made no sense at all. I think of one instance in particular. We had just moved to town and I went away for two weeks, in the middle of July to Bloomington, IL, for local pastor's licensing school. I spent two weeks crammed in a beastly, hot dorm space learning about preaching/worship (only class in preaching I had during seminary), church history and church administration. I learned everything I ever needed to know. Yeah, right! Anyway, I returned from what felt like a grueling experience on a Friday night and on Saturday morning I had my first funeral. I did not have time to meet with the family of Jess Edgar, the deceased, (I remember his name to this day and he wasn't even a member, rather the father of a member), nor learn about the local funeral customs ahead of time. I have felt bad for his family for the last 38 years. I wonder if I said anything that made any sense at all and if they found any comfort in the whole experience. But, they were gracious people, understanding and willing to receive from this naïve, amateur preacher whatever I had to give. That congregation knew how to do student pastors, people of varying ages who had their beginnings as a pastor in this congregation. I thank God for their willingness to listen to me as I learned the beginning ropes of being a “newbie” pastor. As a matter of fact, I still thank God for everyone who is patient with me and listens to me, almost forty years later, now that I am an “oldie” pastor.

Peace and joy, hjh

Prayers for Worshipers in South Carolina

To My Brothers and Sisters in Christ in the Wisconsin Annual Conference,

I am deeply saddened and dismayed at the terrible act of violence committed against Pastor Clementa Pinckney and the worshipers at the Emanuel African Methodist Episcopal Church in Charleston, South Carolina. Words cannot convey the depth of emotion in the face of such tragedy. I invite us all to be in prayer for the families and loved ones of the nine dead and the other victims. I also encourage our congregational leaders to pray for victims of hate crimes, and to ask that God's grace and peace may prevail in times of wanton violence and senseless destruction. This is a time for healing, compassion and mercy, and a reminder that we, as the body of Christ, must be ever vigilant and prepared to respond in times of need.

We are a Conference constantly challenged to "imagine anew" a world of peace, love, kindness, gentleness and self-control. I am so thankful that in situations such as this, we can join our hearts and voices together in prayer for God's mercy. [Click here](#) for message from the Council of Bishops. With Christ's Blessing,

MUJILA FALLS AGRICULTURE CENTRE

***Then I heard the Lord's voice saying, "Whom should I send, and who will go for us?"
I said, "I'm here; send me". Isaiah 6:9***

During this Pentecost, we celebrate the entry of the Holy Spirit into each of us as the "Birthday of the Church". As we read the headlines of a "dying or declining Church", it is doubly important that we re-commit ourselves to the Work of the Church in the World. John Wesley often pointed out that it is through our works that we show our Christian Faith. Isaiah demonstrates that "being a Christian" is about action; about taking up the challenges placed before us. About hearing the invitation and about stepping up and saying "Here I am, Lord, send me".

Over the past 15 years, we have built up Mujila Falls from a wilderness into a land flowing with milk and honey; a center where people can come to learn about animal husbandry, gardening, fruit culture, field crops, tree farming, animal traction, and so much more. Over those years, we have been a catalyst for development. We brought in the first engineer to study our river and that has resulted in a hydro-electric dam project that has brought the national grid to NW Province, catalyzed cell phone towers, road construction, well drilling, grade school and high school construction, and so much more. When we answer God's Call, "whom shall I send?" he does not abandon us, but assists us in His Work for perfection of His Creation. Land that once could not support anyone now supports thousands with milk, eggs, yoghurt, poultry, goats, sheep, fruit, vegetables and much more. People without work now have employment and their wages turn over again and again in the local economy with the construction of better homes, purchase of better food, sending children to school, and building new businesses. Where once we could not sell 100 eggs in a week, we are now selling as much as 2000 eggs per day into local villages. We are now producing more than 80 liters of milk per day for people who never had milk before. These products help to keep teachers in our rural schools from running away due to hunger. It keeps nurses working in our clinics. It provides room for our "best and brightest" to find jobs and businesses in our local communities instead of immigrating to the big and over-crowded cities. I rejoice that most of my workers now have cell phones and several have motorcycles. This is what happens when we find ourselves "of one accord" and answering God's Call to action through projects like Mujila Falls Agriculture Centre. Pentecost lives on through us.

Outreach Ministry

Community Walk with the Pastors

Remember to invite your pastors for “meet and greet” in your neighborhood on Wednesday evenings at 6:00 pm this summer. Each Wednesday night during June, July and August, they are committed to getting to know your neighbors by walking around your neighborhood with you to meet people, ask them how we as a church can care for them and if there is anything for which they need prayer. The pastors will also be handing out information about Vacation Bible School and Sunday worship times. The nights no one has invited them to their neighborhood, people will be invited to join them in walking around the areas surrounding each of our facilities, meeting and greeting people. So, quick, contact the church office via phone (715-344-3557 or 715-344-9192) or email stpauls@stevenspointumc.org and choose your date for “meet and greet” in your neighborhood.

Worship Ministry

Oakridge Worship

In 2008, a group of persons from our congregation began a monthly worship service at Oakridge retirement community, near Fleet Farm. Eventually we were joined by our friends from Frame Presbyterian for the leadership of this group. We have found this to be a very meaningful time of worship and of building relationships. July will be the last time for this service. The number of people who have been participating has become very low and so we will be discontinuing the service. Thank you to all the persons who have been hosts, provided music and led the services.

Prayer Quilt Ministry

The Prayer Quilt Ministry is considering a new time for meeting on Wednesdays during the program year. There is interest in meeting from 1:30 pm - 5:30 pm, and not after dinner (on the Wednesdays there is Disciples Diner).

We would like to invite anyone interested in joining us to contact Lois Kitto at 715-344-9864, lkitto3@charter.net, or the Point church office, 715-344-3557. **We will teach you!**

This is a group of committed Christian women, who enjoy the fun, fellowship and blessings of making quilts that are requested for anyone who is ill, that needs to know the comfort that prayer brings, or wants to celebrate an event or a blessing.

During the summer we meet at 1:30 on Wednesdays, as needed. If you can join us, call the above numbers just to be sure we are there.

Thank You

Dear Quilting Ministry,

Thank you for your quilt which represents the presence of our church with me as I recover from esophageal cancer. It warmed me and soothed me through difficult surgery, chemo and radiation. This quilt continues to be with me on my recliner, for warmth, and spiritual support. The colors are beautiful and the cross in the corner is just right, as in a cornerstone position! I appreciate your talents and for thinking of me!

an inspiring prayer

-- Author Unknown

Heavenly Father, help us remember that the jerk who cut us off in traffic last night is a single mother who worked nine hours that day and is rushing home to cook dinner, help with homework, do the laundry and spend a few precious moments with her children.

Help us to remember that the pierced, tattooed, disinterested young man who can't make change correctly is a worried 19-year-old college student, balancing his apprehension over final exams with his fear of not getting his student loans for next semester.

Remind us, Lord, that the scary looking bum, begging for money in the same spot every day (who really ought to get a job!) is a slave to addictions that we can only imagine in our worst nightmares.

Help us to remember that the old couple walking annoyingly slow through the store aisles and blocking our shopping progress are savoring this moment, knowing that, based on the biopsy report she got back last week, this will be the last year that they go shopping together.

Heavenly Father, remind us each day that, of all the gifts you give us, the greatest gift is love. It is not enough to share that love with those we hold dear. Open our hearts not to just those who are close to us, but to all humanity. Let us be slow to judge and quick to forgive, show patience, empathy and love.

UMC Market - A New Donation Program!

The General Council on Finance and Administration of the United Methodist Church is pleased to present UMCmarket, a tremendously rewarding opportunity to earn money for our church. UMCmarket makes it possible for our church to receive donations from retailers every time you make an online purchase. The best thing is that you do not need to change anything from how you shop today, and every small donation makes a difference. This allows our church family to do together what we cannot do alone.

How it Works - Every store at UMCmarket is happy to pay a percentage of the purchased amount as a donation. There is no additional cost or charge for either you or our church. The stores send UMCmarket the contributions within a variable period of 30-90 days. Once our church reaches \$100 in total donations, a check will be mailed.

Signing Up is Free - You can easily sign up for free. When you go to UMCmarket, you will click on the "Get Started" button. You will have the option to sign up with your Facebook account or enter your email and create a password. You will then be prompted to download the Easy Give Button and find our church. With these three simple steps, you are ready to shop and donate!

Easy Give Button - Using the Easy Give Button App is the easiest way for you to shop and donate. Once it has downloaded, you will see the UMC Cross and Flame icon in your browser toolbar. This Easy Give Button will allow you to shop directly at store websites and let you know that you are connected.

Share UMCmarket with your friends! Research shows that members who download the Easy Give Button generate more than double the amount of donations to their church. You do not have to remember to visit UMCmarket.org before you start shopping!

We hope you will sign up, try UMCmarket out and share with our church family and friends. It is easy and free, so why not rally your fellow members to do the same. See how fast your donations will make a difference! We live in a global village, and the world is our parish. When we give generously, our gifts do wonderful, life-changing things in the name of Jesus Christ.
