## We Are A Ministry With

Open Hearts...

Open Doors...

We are a  
Stephen Ministry  
congregation.

## A Message from Pastor Hyejung Hwang

While I was in Korea in January, I would go back and forth between Seoul and Il-San where Jitae's parents live and where we stayed during our trip. It is about a one hour drive between them. On the way coming and going from Seoul to Il-San, I would get sentimental watching the sunset and Han-River, which is a major river in South Korea. One day something caught my eye. It was the military presence of things like iron fences and small camps here and there. The military presence itself was not surprising to me, because I had seen that a lot while living in South Korea. However, I was surprised that I didn't recognize there was this military presence. I think I had become insensitive to things that had been part of my everyday life. It seemed as though there was a contradiction between my insensitivity and my Christian life seeking peace and justice as I was feeling the beauty of God in-between the sunset and iron fences. It made me realize how sensitive I need to be to see the suffering and respond to God's calling. Sometimes we see what we want to see and hear what we want to hear and we miss what we should see and hear as Christians. After coming back from my trip, I am trying to open my eyes from what I am used to seeing and to pay attention in my ordinary life more carefully. And I believe that as Christians we need to recognize this, open our eyes and turn to what God has shown to us. I hope we can be the witnesses to see that God is doing goodness everywhere and that God's caring is everywhere, even when we are not as sensitive as we should be in our life.

## A Lay Leader Message from Tonya Kowalski

I saw a quote the other day said, "Don't judge someone just because they sin differently than you" and I thought it was a really good reminder. I think it is human nature for us to sometimes see other's actions and decide that they are bad people or think to ourselves "Wow, I would never do that". Jesus would tell us however, those judgments are not ours to make. We are all sinners. Every last one of us. And, even though we would like to think so, in God's eyes, sin is not measured by degree. We are human, imperfect, broken people each of us making his or her own mistakes. The good news is, those mistakes have already been forgiven. Our sins- no matter how big or small- were forgiven freely to us through the grace of God when Jesus died on the cross. Jesus did not only forgive some people or certain sins, He forgave everyone. That reminds me of another quote that I really like- "Don't compare yourself to other Christians. Compare yourself to Christ. He's the one you're following." Instead of worrying about what other people have or have not done or should or should not be doing, we need to try to be like Christ and show mercy, love, and forgiveness to everyone. As we move towards Holy Week, let us remember how truly blessed we are to have our sins erased and forgiveness given. Amen.

## Adult Ministry

Focusing on our “Mission Statement”, “Vision Statement”, and “Core Values”, we will continue to care for our existing ministries. We feel they do line up with “Making Disciples for Jesus Christ for the transformation of the world.”

We also are sensitive to our “Conference Theme”: “Live the Fruits of the Spirit”...Joy, Peace, Love, Patience, Kindness, Goodness, Faithfulness, Gentleness, and Self Control. Our hope has been that each of us examples at least one of these daily!

We are open to new ways of ministry and the involvement of new people. ### ALL GOD’S PEOPLE HAVE A PLACE IN MINISTRY!

#### Lavender Springs Spa Women’s Retreat *a time to rest in God’s faithfulness*

Attention all women. Coming to the Point location on Saturday, April 30, 2016 is the Lavender Springs Spa Women’s Retreat. You are invited to this relaxing and spiritually nourishing spa-themed event. Learn and grow as you are reminded of God’s faithfulness and the power of connecting with other women.

We will journey through the Psalms, share our feelings, disappointments, celebrations and doubts with other women. You will leave with a fresh approach to prayer and deeper insights into the book of Psalms. There is a time to quiet your mind so you can reflect on what the verses mean to your life. “*Open my eyes to see the wonderful truths in your instructions.*” *Psalms 119:18*. This busy world is pulling women in too many directions. We need to be still to open our hearts and minds to God.

Please mark this on your calendar now! The fee for this is \$30 due on April 1<sup>st</sup> which includes lunch and the items needed to participate. For reservations email Mary Gurlea at [mgurlea@gmail.com](mailto:mgurlea@gmail.com) or call 715-321-2102. to reserve your spot as many have signed up already.

#### Washington Elementary Needs and Connections

The Kindergarten teachers at our neighboring school, Washington, have shared they could use volunteers to help out in their classrooms. This could be once a week, once a month, or however much you would like to help. There are three classrooms and the times vary on the teacher’s request for help.

Please contact Cathy Martin at [jcmartin@charter.net](mailto:jcmartin@charter.net) or by phone, 715-341-8426 if you would like to have more information. Thank you!

## General Conference

This year is of course leap year with the presidential election taking place in November (as if we didn’t all know that). But, those are not the only things happening in this four year cycle. General Conference, the top policy-making body of The United Methodist Church which meets once every four years will be meeting for ten days in May in Portland, OR. The conference can revise church law, as well as adopt resolutions on current moral, social, public policy and economic issues. It also approves plans and budgets for church-wide programs. Lay and clergy delegates will meet to worship, review the mission of the church and make any changes to the Book of Discipline (our book which addresses our faith beliefs and how we order ourselves). The issue of homosexuality, coupled with interpretation of Scripture and the church’s understanding of sin will be at the fore-front of the gathering. Please be in fervent prayer over the next couple months for this gathering that it may lift up Christ and the ministry to which we as a denomination have been called.

The General Conference Prayer Ministry designed a “60 Days of Prayer” daily prayer book that runs March 31-May 29 so that church members can connect through the same Scripture, meditation and prayer each day. For more information and to sign up for daily prayer email or text visit:

## Stephen Ministry

**CRISIS: An emotionally charged time of instability during which a crucial change occurs.**

The Chinese word for crisis is a combination of two characters: one for "danger," the other for "opportunity". This drives home the fact that every crisis, though it involves impending danger, also offers opportunities for personal or spiritual growth. Stephen Ministers are trained to walk with you through the dangers of your crisis and to help you find the opportunities God has in store for you. For more information about Stephen Ministry, please contact Pastor Howard, or Randy Hermes, Coordinator.

## Women In Action and Men's Group

**Your Help Is Needed**

The Men's Group and Women in Action Board (which represents all the women of the church) have joined to better minister to the community. In this joint endeavor, we are calling ourselves "Serving Hands". Together, we may take on various projects. Now, we are focusing on the Hope Center, and providing a meal the first Thursday of each month. This is where you come in. We need a list of people, male or female, whom we can call on occasionally to help fulfill this ministry.

This is what is needed each month:

- 5 casseroles
- 2-3 desserts to serve 40
- 3<sup>1/2</sup> doz. dinner rolls
- #10 canned veggies

In addition, it takes three people to set up and serve. This takes one hour of your time. Questions? Interested? Contact Randy Hermes at [rchermes@hotmail.com](mailto:rchermes@hotmail.com) (715/341-4152) or Bonnie Lund at [bonnielund@charter.net](mailto:bonnielund@charter.net) (715/345-0247).

TOGETHER---LET'S MAKE THIS HAPPEN!

### A SEASON OF PRAYER - A MESSAGE FROM BISHOP JUNG

How close do you feel we are to the vision of God for a "Peaceable Kingdom?" How well do we regard those who disagree with us? How forgiving and kind are we to those who oppose us? How clearly do we reflect the love of God when we find ourselves embroiled in conflict? As a country, we are in an election year, and as a Church, we are preparing for General and Jurisdictional Conferences. Were you aware that we are not all in agreement about our future? Believe it or not, there are competing views about our core values, guiding principles, and foundational beliefs. We disagree about the authority and interpretation of scripture. We are debating what "Christian teaching" is and what is not. We are swept up in controversies about our differences, allowing them to become divisions. In the face of such challenges to our unity of life and spirit, I issue an invitation: pray.
